Twin Pomegranates Wine Takes Bronze

Twin Pomegranates Wine was awarded the Bronze medal at the Florida State Fair International Wine Competition

Fresno, Calif--- March, 2011. Twin Pomegranates Wine took bronze at the 23rd Annual Florida State Fair International Wine Competition for their Pomegranate White Wine Blend. The 2011 Florida State Fair International Wine Competition received over 1,283 entries from 34 states and 9 countries. The Pomegranate White Wine Blend placed in the Flavored Fruit/and or Grape-Rose category. "To most, winning a bronze isn't as exciting as taking home the gold. But to us, winning a bronze for our first-ever pomegranate/white wine blend is equally as awesome! Credit goes to our winemaker Karl Wright for his talent and ability to turn something ordinary into something extraordinary." --Nick Davis, Co-Owner

Twin Pomegranates White Wine Blend was released last September. Twin Pomegranates Wine made a blended wine to help bridge the gap between a grape wine and a pomegranate wine. "Nice amber color looks like fall--orangey hue, like honey. On the nose of this you get pomegranate but you get autumn, fresh crispy leaves on the ground, honey and fresh herbs, like lavender, more of a floral nose to it." --Tony Brueski, TheTasteSpot.com

Twin Pomegranates Wine makes three pomegranate wines: a 100% Pomegranate Table Wine, Pomegranate White Wine Blend and a 100% Pomegranate Sparkling Wine.
