**Fresno, CA---** Twin Pomegranates Wine just bottled their newest wine, a 100% Pomegranate Sparkling Wine. This wine is the third wine produced by Twin Pomegranates Wine. Their wines stray away from the traditional and their Sparkling Pomegranate Wine is nothing but sparktacular! This sparkling wine made its debut on November 6<sup>th</sup>, at Paws and PAWmegranates.

The Sparkling Pomegranate Wine is light pink in color, made from estate grown California pomegranates, and has a refreshingly crisp and slightly sweeter taste than the 100% pomegranate wine. It has sweet pomegranate effervescence on the nose, and showcases a subtle pomegranate flavor with every sip. Twin Pomegranates Sparkling Wine is not only for celebrations, but is an all occasion wine. It is reasonably priced at \$13 a bottle and can be found in most SaveMarts in the Central Valley as well as many other retail locations.
